Reasons for Allowance

The following is an examiner's statement of reasons for allowance:

The prior arts of record do not show the Strain Relaxed Buffer consisting essentially of three layers in which the three layers are not an active part of the semiconductor device, the three layers have a substantially constant Ge concentration, and the middle layer of the three layers is formed of SiGeC having a C concentration being greater than or equal to about 0.3% .

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication should be directed to Examiner Ngan Ngo at telephone number (571) 272-1711. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
